

San Francisco Bay National Wildlife Refuge Complex  
1 Marshlands Rd Fremont, CA 94536 510-792-0222

# Endangered Species Day & Open House

May 15, 2010

1:00-3:30 p.m.

Learn about some of the endangered species found on the Don Edwards San Francisco Bay National Wildlife Refuge and how the San Francisco Bay Refuge Complex helps protect them and other wildlife. All activities are free.

- View art entered into the 28th Annual Endangered Species Poster Contest by school children
- Search for the endangered California Clapper Rail and Salt Marsh Harvest Mouse
- Meet a biologist and law enforcement ranger - take your picture on an airboat
- See the new and updated exhibits at the new Visitor Center
- Tour the newly-renovated Administrative Headquarters of the San Francisco Bay NWR Complex and hear first-hand how Refuges manage land for wildlife
- See the transformation of the old Visitor Center into the new auditorium

**Schedule of events are listed on the back**

*Sponsored by the San Francisco Bay Wildlife Society*

**AMERICA'S NATIONAL WILDLIFE REFUGES...**  
*where wildlife comes naturally!*
