Re: Community Challenge Grant Completion Report

Chairman Attebury, Director Schriever, Commissioners,
 Please accept our organization's sincerest gratitude for the award of \$20,000.00 to be used to assist in the removal of wolves in The Clearwater & Panhandle Regions. We have completed the funding of the reimbursements to sportsman for the 40 wolves harvested in the targeted areas using \$20,000.00 of the Community Challenge Grant funds, at a 1/1 match of \$20,000.00 of The Foundation for Wildlife Management funds as agreed. (Please see detailed report in chart below.)

With more than 250 wolves reimbursed since Aug 1st of 2019, our hope is that sportsmen this year will harvest more wolves than were born for the 1st time ever... Hopefully buying backcountry Ungulates a reprieve from the level of predation they have endured the previous several years. The Foundation for Wildlife Management thanks you! As does Idaho's Wildlife & Sportsmen. We look forward to continuing our work together, in hopes of leaving Idaho better then we found it. Feel free to contact us with any questions.

Sincerely,
